

Clean Ganga Europe Desk Conference 2018 27 September 2018 – Blue Point Centre, Brussels

Clean Ganga Europe Desk Conference 2018 offers the chance to connect with Indian and European stakeholders and actors with a common vision to tackle water issues in India. It is organised within the cooperation framework of the India-EU Water Partnership, the EU Delegation to India, VITO, and the European Technology Platform on Water Supply & Sanitation (WssTP), with the support of the Indian Embassy for Europe, Luxembourg and Belgium, and the Belgium India Chamber of Commerce and Industry (BICCI). The event offers the unique chance for interested European institutions and companies to learn about upcoming opportunities for partnering with India on water related challenges, in particular regarding the cleaning of the Ganga River. Targeted contributions and discussions will link Indian and European stakeholders towards joint, future actions in Indian water resources management as well as Ganga Rejuvenation. Participants include the European Commission, Indian representatives and policy makers, investors and financial experts, scientists, water companies and SMEs. The Clean Ganga Europe Desk Conference 2018 is a one-day event with three sessions:

- EU-India Water Dialogue: policy perspectives and opportunities
- Investment initiatives and inspiring testimonial projects
- Opportunities and matchmaking - Water Market India (including the opportunity for participants to show case pilot demonstration ideas using posters)

To register to the Conference please go to the following link:
