## It's Debate Time!

Dear Brigitte,

Mobility, a complex taxation system, a lack of flexibility: how can we turn some of today's biggest challenges for the international business community in Belgium into new opportunities?

The next federal, regional and European **elections on May 26** give Belgium a **unique chance** to make improvements and the necessary changes in order to become **more competitive and more prosperous** for all.

Are you **eager to learn more about the proposals put forward by Belgium's main political parties** to address those challenges?

Then join us on Wednesday, April 3, for our [#Yes2Belgium Election Debate!](#)

This debate will be in English.

 **31** April 3, 2019
